MR JOHNSON'S NEWS

Dear All,

Thank you all for attending our parents evenings this week. It was great to catch up with so many of you and hear the great things that are happening in class with the children. Thank you also for taking part in our parent survey during the evening. The results show the confidence that you have in our teachers and the rich educational experiences on offer here at TLA. We use the survey feedback to inform our school development plans going forward. Doing the survey at this time of year helps us gauge our progress early on.

With Armistice Day tomorrow, yesterday we held a special remembrance assembly for Years 1-6. We discussed the significance of the wearing the poppy as so many of them had purchased these over the last week. The children demonstrated great understanding and asked some excellent questions.

Children in Need day is next Friday 17th November! We will be celebrating the day with THE GREAT TLA BAKE OFF!! Each year group will be baking some yummy goods on Friday afternoon ready for selling to you outside of their classroom doors at collection time. So bring some dosh for those bake off triumphs and tragedies! Of course Pru, Paul, Noel and Sandy will be on hand to look out for those 'soggy bottoms'! Children are welcome to come dressed in their own 'spotty' clothes.

Please check out the calendar for the Christmas dates below! Have a lovely weekend!

Will.

MR REYNOLDS SPORTS NEWS

On Wednesday our cross country runners returned to CSIA to tackle the course again, another practice in preparation for the next school games round! With slightly less children competing, TLA dominated most races, we took home the gold medal in 6 of the 8 races, although we only had children competing in 7 of them!!! Everyone ran excellent races, well done – excellent running!

Trevithick continued their impressive start to the CSIA league with a comfortable 8-1 victory over Gwinear! We were missing some regular players but showed our strength & depth to continue our fine start. Special mention to Jack and Samuel on their first starts of the season, particularly Samuel coming up from Year 4 and scoring a goal as well! Stuart, Charlie P, Charlie F (2) and Zac (3) completed the scoring! Gwinear scored an excellent free kick themselves and their goalkeeper was in inspired form, keeping out several goal bound efforts! Well done everyone! Keep it up! ☺

STILL SPACE FOR THE BMX TASTERS! GET YOUR LETTERS ASAP!
