TLA NEWS

21ST JULY 2017 ISSUE 39

MR JOHNSONS' NEWS:

The last day is here! We have just had a fantastic assembly celebrating another action packed year here at Trevithick. As usual, the last week has been full of events. The Mission Summit team arrived back on Tuesday evening after a brilliant expedition up the 3 highest peaks in England, Scotland and Wales. The 12 children from TLA, 3 from Five Islands and 6 from Mounts Bay showed extraordinary resilience and determination in challenging conditions in Scotland. The relentless walking, tent putting up and taking down, eating, packing sleeping bags and driving many miles was a proper mental and physical challenge.

The Reception children had a lovely graduation, attended by many parents. All the children seem ready to move on up! The Lion King production concluded this week with two performances to the parents. It really was a very special performance with some amazing solo singing parts. Thank you so much to Mr Wilson, Mrs Willey and Miss Rowe who have worked tirelessly to put the play together. Mr Wilson is already scheming away about possibilities for next year's production.

The Year 6 children had a brilliant leaving do last evening at the Lowenac Hotel. The children and their parents, all suited and booted, arrived in all manner of vehicles. They enjoyed an evening of memories, poetry, song and general partying. A great send off for the children. We wish them all the best of luck for next year!

All that remains for me to do is thank you for all your support this year and I wish you all a great summer break!

Will

DREAM DRIVE DUTY DAZZLE

TLA NEWS

MR REYNOLDS SPORTS NEWS –

Here we are, about to enter the summer holidays! It's been an action packed year for the staff and children, time to rest and recover and come back in September raring to go! Good luck to the year 6 children embarking on a new adventure at CSIA! Get involved in all the sport they do, it'll be tough with more competition for places but try hard and if at first you don't succeed, work harder at trying AGAIN! ☺ It's been a pleasure to work with year 6 this year, they've shown what super stars they are in so many different ways and I am confident I'll be hearing much more from them in the future! Good luck everyone!

Congratulations to Atlantis for winning the inter house sports cup for 2016-17! They comfortably won the cup with almost 9,000 points!!! They secured victories in the netball, football, cross country and both KS1 and KS2 sports days! The standard has been set for Neverland, Narnia and Camelot to try and challenge next year!

I hope to hear plenty of active summer stories in September, coastal walks, beach sports, swimming, running or even trying something new! The holidays are a great chance to rest and try out new things – I hope you all have lovely summers and stay active! I want you all fit and firing when we return in September, eager to build on this year's accomplishments!
