NEWS

14th June 2019 issue 109

Hello everyone,

This week has seen us all battling the good old Cornish wind and rain but here at TLA, we haven't let the weather dampen our spirits!

Year 6 cycled off to camp on Tuesday and have been enjoying themselves in the great outdoors. They've surfed, collected nurdles, walked, made archery bows, camping navigation bracelets and sung songs around a campfire. Today they're going rock climbing before settling down with a bag of fish and chips! I'm sure all of the children (and staff) will be very tired but full of fun stories about their adventures.

Mr Reynolds and the Dragons took part in the Trevictus Games this week. They all made their way to Carn Brea and took part in a variety of activities with children from lots of different schools. Thank you to Mr Reynolds for organising such a successful event for another year.

Our Scholastic Book Fair begun today, giving children the opportunity to look at some amazing books and perhaps purchase one to take home. Reading is obviously very important and our book fair boasts lots of exciting titles suitable for a variety of ages and interests. If you would like to pay our fair a visit, pop in any day between now and Weds between 8:30-8:45am or 3:15-3:45pm.

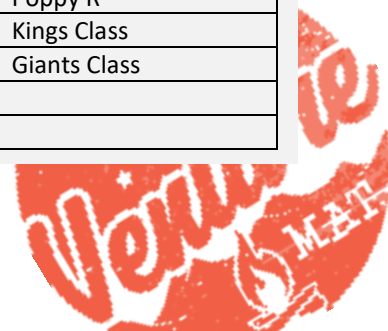

Have a lovely weekend,

Mel

TLA NEWS

Mr Reynolds sports news

It's been a busier week this week, on Wednesday we hosted our annual Trevictus Games event. It was touch and go with the weather but we held off and gambled on it improving like the forecast suggested and we're delighted we did! The morning session was a little damp but everyone still had a great time. The afternoon group were the luckiest ones as they enjoyed much brighter weather! The TLA representatives all did a wonderful job as always, our Dragons class were brilliant along with our selected Y3, 4 & 5 children. We were disappointed about having to reduce our own school involvement but due to our expanding ARB and Y6 camp being in the same week we really were stretched! Having said that, 217 children took part throughout the day, including 61 from secondary schools this year! It was lovely to see some familiar faces coming back to take part! 😊 Thank you to everyone who supported the event, staff, parents and family members, it is always greatly appreciated.

A **BIG** thank you to all of the Genies parents who took the time to complete our Active Lives Survey – we really appreciate your help! Today we hope to beat the weather again and help GoActive host their Quadathlon event with Year 3 children. The children have been practising hard & are looking forward to competing today. We'll let you know how we get on later via Facebook! 😊

Next week:

Mon 17th – Y5/6 Tennis event @ Truro tennis club (letter already gone home).

Tues 18th – JAE session for selected Y6 children (letters going home Monday)

Thurs 20th June – CSIA Sports Presentation evening (5.30-7pm)
