About Venture Multi Academy Trust

Venture MAT is a small multi academy trust based in West Cornwall. Venture schools are creative and imaginative organisations. They push boundaries, think outside the box and tell their own stories.

Venture schools are well resourced and maintained to the highest standards. As a result we are all very proud of our schools; pupils flourish, staff value working in a comfortable environment and parents are confident that their children are safe and enjoying their education.

Pupils are encouraged to develop their understanding of risk and how to assess it. They have access to skate ramps, go-karts, skateboards, scooters, zip wires and a range of age appropriate climbing apparatus including frames, walls and boulders.

Venture schools have in-house expertise including:

- Narrative Journeying linked to storytelling approaches to literacy
- Outdoor Education including Forest and Beach Schools
- Early Years play based learning
- Mastery Mathematics
- Systematic Synthetic Phonics
- Shared Reading
- Computing
- Special Educational Needs & Inclusion
- Middle Leadership and Management

Teachers within the MAT hold a range of professional roles including NLEs, SLEs, DfE grammar experts, and Mastery Mathematics specialists.
