TLA NEWS

20TH SEPTEMBER 2019 ISSUE 117

We're well into the swing of our curriculum lessons now at TLA and it's safe to say everyone seems to be settling in to their new year group and class with great success!

Wizards had a fantastic time at Feadon Farm on Monday. They were able to learn about lots of different animals and even got to hold one or two of the little creatures. Hopefully you managed to have a look at their photos on our Facebook page.

Year 5 had a scary experience on Weds with a visit from Animal Encounters, who brought with them some of the more terrifying critters including snakes, Cornish hippos (apparently a guinea pig with no fur) and tarantulas. Plenty of children conquered their fears ...even Mrs Westren and Miss Poole held the tarantula!

We're just in the throes of putting together our plans for Harvest and Apple Day, so watch this space for news of our upcoming performances and exciting activities.

Information about our after school clubs have gone home today for their start next week. We are thrilled to be able to offer such a variety of after school activities to our children – please remember to let the teacher of the club know if your child no longer wishes to keep their place.

Finally, please can we remind parents to park sensibly and responsibly on any roads beyond the school grounds. We know parking is limited both on and off our site but we do ask that you do not park on any double yellow lines and avoid blocking access to any roads or driveways. Thank you for your cooperation.

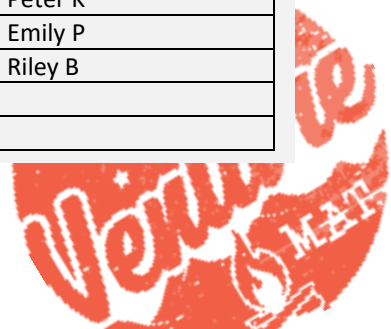

Enjoy your weekend,

Mel

MR REYNOLDS SPORTS NEWS

We're into the thick of the sporting action now! On Monday we had the Cornwall Sports Partnership (now known as Active Cornwall) in filming as part of our Time to Move nomination for 'Competition'. Mr Emery, Mrs Moyle & Mr Oates put on football, netball and tag rugby sessions, whilst Dragons class have been taking part in their Archery inter house which was also filmed! We look forward to seeing and sharing the finished production. Our Inter House sporting competitions is now underway, Year 1 & 4 raced on Monday, Y5 on Tuesday, Y3 on Thursday and Y2 & 6 today! We have medals for the race winners and will be awarding certificates for those children who came 2nd & 3rd! ☺ We've had some excellent races, children really pushing themselves to try & gain those extra bonus house points! Children in Years 3, 4, 5 & 6 have the option to represent the school in the School Games qualifier which takes place at CSIA next month, we offer the places to the children who finish in the top 5 of our inter house first before offering others spaces when they become available! Weather permitting, there will be two CSIA qualifiers so we hope to get as many children competing as possible!

Tuesday saw the Pirates class take part in their surf lessons with Global Boarders – the children had near perfect weather conditions and did a brilliant job, lots of children were standing on their boards in shallow water almost immediately! Great balancing on show. On Wednesday I took 11 children to CSIA to take part in a netball festival, we played matches against Weeth, St Meriadoc & Penponds (A&B), we won our 7 minute matches 3-2, 1-0, 1-0 & 4-0! It was great to see children trying out new positions and working well as a team. Mrs Moyle is looking forward to continuing last year's successes – it'll be another competitive CSIA league with Rosemellin re-joining our cluster!

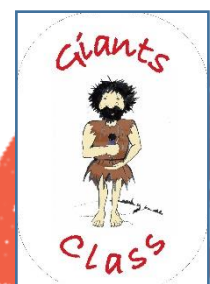

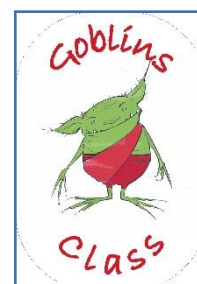

Year 3 children are starting the Chance to Shine cricket program next Friday (27th Sept) morning with Craig Williams from Cornwall Cricket – always enjoyable sessions that prepare the children for future competitions! Letters will go home on Monday for that.

After school clubs start next week which is really exciting – if you're not in a club but would still like to be considered for fixtures/competitions please let Mr Reynolds know! ☺ Still a few spaces available in KS2 cross country on Wednesdays if anyone is keen... ☺
