TLA NEWS

27TH SEPTEMBER 2019 ISSUE 118

It's been a very rainy week this week! The heavens have opened on many of our playtimes but luckily we've still been able to get outside in the fresh air. Year 5 have still managed to surf, year 2 were still able to go to the forest and year 3 even braved a little bit of Cornish mizzle during their beach school. We want our exciting outdoor activities to continue throughout the autumnal weather, so do please remember to send children to school with good waterproof coats.

Talking of good old Cornish things, we were very lucky to have a visit from the Cornish Caretakers on Tuesday, a theatrical double act who did an incredible (and very funny) performance for the whole school. They taught us all about some famous Cornish people, including a brilliant Cornish boxer and a Cornish gazer who looked through his telescope every night and discovered the coordinates for Neptune! WOW!

We still have a few tickets left for our Harvest Festival performances on the 9th and 10th October. If you would like to come and haven't yet collected your tickets, just pop into the main office.

Finally, a polite reminder: please ensure that children are sent to school with appropriate footwear. Shoes/trainers need to be all black, waterproof (no furry boots or Uggs) and flat with a good sole. Please do not send children to school in shoes/boots with a heel. Thank you.

Have a good weekend,

Mel

MR REYNOLDS SPORTS NEWS

A quieter week at TLA this week with no sporting competitions taking place, however, our after school sports clubs have started, along with all of our other extra-curricular opportunities! A big thank you to those staff who have covered my absence. I hope the children are training hard as we have a lot of sporting competitions taking place in the very near future! Football and netball leagues will commence soon as well as the CSIA cross country & gymnastics qualifiers! Remember, if you're not in a specific sports club but would be interested in representing the school in that sport, let me know and I'll do my best to involve you when possible! I hope children have enjoyed the start of the Rugby World cup - a reminder that we will be looking to run our Inter House Tag rugby competition before half term so speak to your house captains if you want to represent your house!!

COMING UP...

WIZARDS CLASS attending KS1 multi skills at CSIA on Friday 4th October (weather permitting). Letter going home next week!

Thursday 10th October (1.30-3pm) **KS2 Cross Country qualifier!** All of the children from Years 3, 4, 5 & 6 who finished in the top 5 of their respective races will be entered into this qualifier if they expressed an interest in attending CSIA! For those who have missed out this time, fear not, CSIA plan on running a second qualifier after half term (weather permitting of course!) Letters for this will go home at some point next week so keep an eye out for those!

LUNCHTIME SUPERVISORS

Are you looking to begin a career working in schools?
Are you available at lunchtime, Monday to Friday?

We are seeking to appoint new members of staff to join our lunchtime team supervising children in the dining hall and playground. This is an excellent introduction to working in a school environment and can often lead to further opportunities in the future.

12.00pm to 1.00pm (5 hours per week—Term time only)

For a job description and application form, please call in at main reception.

We are committed to the safeguarding of all our pupils and the successful applicants will be required to complete an Enhanced Criminal Records Check through the Disclosure & Barring Service (DBS).

Closing date: Wednesday 9th October 2019
